

Everybody needs a hand sometimes.

That's why Joyful Noise Christian Childcare, a 501(c)3 nonprofit under the umbrella of First Presbyterian Church, started the **Joyful Noise Scholarship Fund**. Exclusively supported through financial donations from generous individuals, this reserve of money is intended to help families in attendance at the childcare center when an unexpected financial burden or crisis occurs.

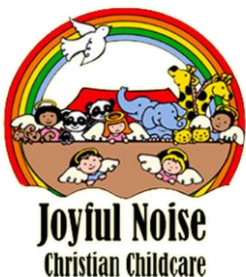

For some, that might mean a medical emergency, or a loss of employment. No matter the reason, when a family is in need, the Scholarship Fund helps to offset tuition costs. Through the confidential application and screening process, a family's needs are assessed and temporary assistance is provided as necessary.

What happens when the well runs dry?

When the Scholarship Fund is empty, Joyful Noise depends on the assistance of caring donors in the community to replenish it. Until new funds are created, the childcare center is unable to assist those who are in need.
