A Little About Miss Kellie: *"I really enjoy spending time outdoors! I love walking in the woods, riding my bike, and floating around in the pool. I love the color pink and panda bears. My husband, Roger, and I have been happily married since 2016. I have been a vegetarian since I was young."*

Miss Kellie's Teaching Philosophy: *"I believe my role as an educator is to help children learn, grow and have fun. I believe this is best done through real, child-initiated, meaningful experiences. I also try to meet each child where they are at developmentally by providing activities and experiences that are tailored to each child's interests and needs. I love art and messy sensory play, too!"*
