Hello JN Families!

I hope your fall is off to a great start! I've really enjoyed watching the children adjust to their new classrooms in September. Everyone is growing so much and doing very well!

Over the next few months, I will continue to present multi-cultural and world music items, along with more music theory as well. We will be looking forward to learning about rhythms and also some concepts regarding dynamics and tempo!

I would also like to invite more guest musicians to our school to perform for the children.

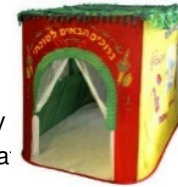

Do you know of anyone with a musical gift that might be interested in sharing it with our class?

Please point them my way!

about this jubilant traditional Jewish holiday, "The Season of Rejoicing"! It is a biblical holiday celebrated directly after Yom Kippur, and we will enjoy learning all about it, as well as celebra some traditional Jewish music!

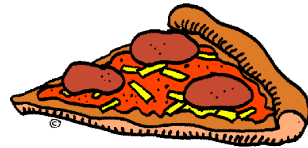

10 **Andong MaskDance Festival**

A Korean celebration of music and dance with masks!

17 **"I am a pizza!"**

One of our favorite "echo" songs—with felt pieces!

A simple favorite with rhythm sticks and learning about eighth note rhythms!

31 **"Let's Go On A Hayride"** (with drums) and other "bump along", seat moving songs!

"With all humility and gentleness, with patience, bearing with one another in love..."
