

School Age Goals

Goal: Social

To develop relationships, through caring, sharing and trust.

This goal will be accomplished by:

- Teaching children to play together both in the class and outside, showing them proper direction when it comes to sharing things and encouraging kindness.
- Offering positive encouragement when the children interact well with each other.
- Providing opportunities for children to work together on crafts, so they can work together as a team in a group setting.
- Teaching the class how to use proper listening skills when the children are sharing personal life experiences.

Goal: Emotional

To develop a positive self image, recognize feelings and learn self control.

This goal will be accomplished by:

- Encouraging children with praise when they accomplish a particular task.
- Allow children to try new responsibilities and acknowledge a job well done.
- Teaching children the importance of sharing responsibilities.

Goal: Intellectual

To develop language and listening skills.

This goal will be accomplished by:

- Providing puzzles, books, music, crafts, and age appropriate games.

Goal: Spiritual

To develop Christian values.

This goal will be accomplished by:

- Reading Bible stories, learning Bible verses.
- Christian Movies.
- Praying before snacks and meals.
- Christian Music
- Morning Blessing before school.
