

How Scrip Works...

SCRIP is a program that allows retailers to offer us gift cards and certificates for quality products. When you purchase the **SCRIP**, a certain percentage of the item's cost is directly credited to Joyful Noise. Some "return" percentages are higher than others. (Ask the office about which **SCRIP** certificates and cards offer the highest return for our school). We then, in turn, offer this savings back to our parents at Joyful Noise!

For every fundraising amount earned, *we offer parents a tuition credit that is 50% of the amount earned by their SCRIP purchase.* For example, a gift certificate for Great Lakes Chili Dogs that is \$4.00 will earn \$1.00 for our school. We then apply \$.50 to your tuition account at our school. Everyone wins!

We have many different **SCRIP** coupons, in different amounts, available for you! From gas cards to restaurant certificates, **SCRIP** not only makes a great gift, but it can be a handy budgeting tool! Feel free to stop in the office and browse through what we have readily available at school. Know that we can make custom orders for you, as well! Check out our forms below and get started with **SCRIP** today!

Please browse the great selection we have with our **SCRIP order form**, here:
