### February News

We can't believe that winter is half over! January was a fun-filled month! We learned a lot about penguins and bears (species, their habitats, diet, etc.) and the kids had a great time talking about hibernation. They loved getting to see Miss Kelli's pet snake (we'll be feeding it later in the month).

We have lots to do in February! The themes for the month will be: Fairy Tales, Valentine's Day, Transportation, and Community Helpers. Some of the highlights of the month will include: growing our own beanstalks (after reading Jack and the Beanstalk), talking about love for our friends and families, riding the Harbor Transit, and mailing letters at the Post Office.

As always, we look forward to the month ahead, and thoroughly enjoy being a part of your child's growth and development!
