# JOYFUL NOISE SUNSCREEN GUIDELINES

- **JN STAFF WILL APPLY SUNSCREEN TO CHILDREN PRIOR TO GOING OUTDOORS.**
- Apply 30 minutes before activity in the sun!
- Take your time when applying sunscreen and ensure that enough product is coating skin. Insufficient application of a product causes its efficacy to be reduced. SPF 30 becomes SPF 15!
- Apply to cool, dry skin—especially after swimming! For sunscreen to properly adhere as an oil based product, skin must be completely dry.
- Wait 15-30 minutes before putting on clothing; clothing will absorb the sunscreen.
- Reapply every two hours and potentially more when swimming or exposed to water!

## JOYFUL NOISE USES CORAL ISLES for kids, SPF 50
