Starting Date at Joyful Noise: February 2018

Degree and Experience: Bachelors of Family and Child Development from Western Michigan University, Stewards of Children Training

A Little About Ms. Asia: Miss Asia is the youngest of four children- all sisters! All four of the sisters have attended and graduated from universities in Michigan. Her older sister graduated from the University of Michigan, and her two younger sisters graduated from Michigan State.

Ms. Asia's Teaching Philosophy: "I have always had a passion for working with young children. There is nothing better than being an influential part in a child's development. I believe in supporting the whole child, which means meeting the child where they currently are in development, then encouraging growth through opportunity and encouragement."
