JOYFUL NOISE
Christian Childcare

*Meet Miss Angel*

---

**Name:** Angel Corbin

**Position: Threes room Lead teacher**

**Starting Date at Joyful Noise:** July 2012

**Degree and Experience**: I am currently in school to obtain my **Early Childhood Education-Associate in Science & Arts.** I have been here at Joyful Noise for nearly 14 years. I have been an assistant teacher for most of my time here. I was the Lead teacher in the toddler room for a year before switching to the three's room.

**A Little About Miss Angel:** I live in Grand haven with my husband Gavin and my two children Triston and Aurora. I enjoy camping and being in nature with my family. I love anything science and sensory.

**Miss Angel's Teaching Philosophy:** My teaching philosophy is rooted in the belief that young children are naturally curious explorers who learn best through hands-on experiences and meaningful interaction with their environment. Respect for the child is central to my teaching. I create an environment where children feel safe to experiment, make mistakes, and try again. Simple experiments, nature walks, gardening, and care for living things help children develop responsibility, empathy, and an early understanding of the natural world.
